Our guests that came through were very gracious and appreciative. We had a great float and plenty of people that rode on the float and represented Lake Cities. Thanks for serving our community.

Welcome

Guests – We thank God you've joined us today and pray you experience God's presence, our love, and true community.

We believe that Jesus is God in human form and that the church is God's ongoing presence in the world. Led by the Spirit of God, we are passionate about sharing hope, serving others, and joining the God of creation in living out the transforming message of the resurrected Jesus. Jesus calls his church to be a compelling force for good in the world – to care about the things He cares about. We long to be a church that is truly of Christ for we believe we were created to live for something larger than ourselves.

We gather today to offer worship to our great King and give courage and hope to one another. We will lift our voices in song, share from the sacred scriptures, and remember Jesus' ultimate sacrifice through communion.

We love children and we offer Kidz Call Bible Classes before our service, an attended nursery (birth – 2yrs), Kidz Praise (3yrs – 3rd grade) and Kidz Celebration (4th-5th grade) during the service. Your kids will love it!

A final thought -- when the attendance books come by, we'd love for you to fill it out but when the offering baskets come by, please don't feel obligated to give an offering.

Again, your presence is our blessing!

Lake Cities is a family called to love and serve God, one another, and our neighbors. Together, in ways dynamic, methodical, mysterious, big, and small we strive to worship God by becoming like Jesus and being led by the Holy Spirit.

We Seek.

We look for the Kingdom and long for the King.

We Shine.

We radiate the Good News near and far, with word and deed.

We Serve.

We help anyone in need with everything we've got.

We Share.

We live in community. We prevail in unity.
