Transformer Service Project

The Transformers are raising funds for The International Justice Mission. They are a Christian organization that frees people from forced slavery and prostitution, and brings their oppressors to justice. Most of their work is done in India and Southern Asia. It cost an average of \$500-\$1000 to free someone from oppression. Our goal is to raise enough to free at least 2 people. In an effort to raise funds, we are offering our services as hired labor. If you have any yard work, house or car cleaning you need done, the Transformers would love to help you with it, and all \$ earned would go to the Justice Mission. We only have about 2-3 weeks until school starts and we would like to complete these projects before the end of the Summer. If you would like to help by hiring us, please contact Brandon and he will organize the work projects, and/or take donations. **Contact: Brandon Bell, 214.458.7722, brandon.bell@lakecitieschurch.com**

Welcome

Guests – We thank God you've joined us today and pray you experience God's presence, our love, and true community.

We believe that Jesus is God in human form and that the church is God's ongoing presence in the world. Led by the Spirit of God, we are passionate about sharing hope, serving others, and joining the God of creation in living out the transforming message of the resurrected Jesus. Jesus calls his church to be a compelling force for good in the world – to care about the things He cares about. We long to be a church that is truly of Christ for we believe we were created to live for something larger than ourselves.

We gather today to offer worship to our great King and give courage and hope to one another. We will lift our voices in song, share from the sacred scriptures, and remember Jesus' ultimate sacrifice through communion.

We love children and we offer Kidz Call Bible Classes before our service, an attended nursery (birth – 2yrs), Kidz Praise (3yrs – 3rd grade) and Kidz Celebration (4th-5th grade) during the service. Your kids will love it!

A final thought -- when the attendance books come by, we'd love for you to fill it out but when the offering baskets come by, please don't feel obligated to give an offering.

Again, your presence is our blessing!

Lake Cities is a family called to love and serve God, one another, and our neighbors. Together, in ways dynamic, methodical, mysterious, big, and small we strive to worship God by becoming like Jesus and being led by the Holy Spirit.

We Seek.

We look for the Kingdom and long for the King.

We Shine.

We radiate the Good News near and far, with word and deed.

We Serve.

We help anyone in need with everything we've got.

We Share.

We live in community. We prevail in unity.
